-----X CLASS ACTION

**DECLARATION OF SAUL ROFFE
IN RESPONSE TO OBJECTION OF OMAR SANTOS PALERMO**

1. I am co-lead counsel to the classes in the above cases. Unless otherwise indicated, I make this declaration based on personal knowledge. In making this declaration, I am not waiving and am not authorized to waive any attorney-client or other applicable privilege or the protections of the work product doctrine.

2. In 2007, I carried out the mailing of the Notices of Class Action to individual holders and financial institutions. My co-counsel participated in other aspects of the class notice process, including drafting and preparing the notices and identifying those who opted out by notice or by filing separate litigation.

3. As part of the process to distribute the Notice of Class Action, I mailed a copy of the Notice to each brokerage or other institution that was identified in records that the Depository Trust Company (“DTC”) provided in response to the subpoena that I caused to be served on DTC.

4. Among the institutions that the DTC records identified were Charles Schwab and the Caja de Valores. I mailed copies of the Notice to both Charles Schwab and the Caja de Valores. I also made sure to mail the Notice to the Caja de Valores because I was aware that there were bondholders that held their bonds under the purview of Caja de Valores, including most of the named plaintiffs.

5. The form of the Notice of Class Action and the form of the Summary Notice were approved by the Court. The Notice of Class Action included the following, standard request to brokers and other financial institutions either to send the Notice to the beneficial owners

NOTICE TO BROKERS AND OTHER NOMINEES

The Court requests all banks, brokerage firms and other nominees for a beneficial owner who held the Notes to promptly forward (and in no event later than 10 days after receipt of this Notice) this Notice or a photocopy thereof to all such beneficial owners. Upon

I declare under penalty of perjury that the foregoing is true and correct.

Executed on November 8, 2016
